

BAG 3413

I. G. FARBENINDUSTRIE. HOECHST

CIOS TARGET NO. 22/1g

DOCUMENT LIST

continued from reel 053

7. Eight laboratory reports on miscellaneous projects. image 0003

CIOS TARGET No. 30/4.17

1. Correspondence on production of butadiene from naphta 0106  
May 1942.

2. Minutes of conference in Oppau, 3 May 1939 re 0114  
(Michael) recycle synthesis process with iron catalyst

*CIOS Target No 30/Opportunity*

*I G Farben - Ludwigshafen*

1. Process for the preparation of polymerisation products 0122  
of tetra-hydro-furane

BAG 3414 - TARGET 30/4.17

I.G.FARBENINDUSTRIE  
MAIN OFFICE, FRANKFURT.

Document List.

1. Use of isobutylalcohol synthesis product: Status, 1936. image 0157
2. File on Hydrogenation: Address by Dr. Pier, TEA meeting 28 Oct. 1942. Tabulation of historical data on the hydrogenation process. Personal history of Dr. Bergius. 0170
3. Report on Oil Conference Leuna, 17 Dec. 1936. 0189
4. Report on second meeting of group 1, 12 Apl 1940 - Miscellaneous topics and including description of Wickel ovens. 0242
5. Sulfide gas-phase catalysts, especially tungsten sulfide for commercial coal hydrogenation. 0313
6. Report on Ludwigshafen Oil Conference, 25 March 1938: Benzin market, hydrogenation topics, trip to America, coal dust motor, electric arc process. 0347
7. Report on Leuna Oil Conference, 22 Dec. 1937: Benzin market, hydrogenation developments, alloys for high pressure equipment, hydro plant construction, salt coal processing, American oil industry. 0391
8. Report on Ludwigshafen Oil Conference, 20 Feb. 1936: Benzin market, status of hydrogenation, lead tetra ethyl, polymerization. 0442
9. Dr. W. Reppe: Status of new butadiene process, 25 July 1940. 0464
10. Polymerization of low mol. wt. olefines with phosphoric acid at Nerdingen, 20 May 1940. 0484
11. Production of fatty acids by paraffin oxidation. Oppau, May 1937. 0528
12. Mersol as a fat substitute. Dr. von Staden, 17 Feb. 1942. 0638
13. Minutes of meeting on important Chemicals Production. Ludwigshafen, 4 June 1943. 0667
14. Patent applications - Uerdingen 1941-1945. 0680

continued on reel 055
