

SERIES C.

BIGS TRIP 872a TO BERLIN AREA.

Oil Team Representative: D.A.HOWES.  
Ministry of Fuel and Power.

Collected Notes.

Reel 1.

1. List of CIGS Targets in Berlin Area.
2. Instructions to Investigators.
3. Target 30/Opportunity.

Document from the Reichsanstalt für Wasser und Luft-Hygiene giving list of Proprietary Products for Pest Control and their Manufacturers.

Target 30/11.01 - Staatliches Material Prüfungsamt Berlin-Dahlem,  
Unter den Eichen 9687.

1. Organization.
2. List of Publications of Prof. Siebel, President, from 1940-1944.
3. List of Publications of Dr. Otto Werner.
4. Publications from the department of non-metallic inorganic building materials.
5. Publications on Wood Preserving.
6. Organic Materials.
7. Plastics.
8. Textiles.
9. Paper.
10. Publications from the Reichs-Röntgenstelle since 1940.
11. Tests of 5 rubber mixtures containing Naftolen for Dartex A.G.
12. Tests on Naftolen Z D and tables.

Target No. 30/Opportunity - Rhenania Gessag, Berlin.  
(Shell Haus) Tirpitzufer 60-62.

13. 1941 - Price List for all Products.
14. 1944 - Prices of Aviation Fuels, etc.
15. Supplies of the Aviation Industry and DLH with operational materials.  
(Planning Office of the Reichsminister der Luftfahrt.)
16. 1944 - Prices of Aviation Lubricants and Special Products.
17. List of all Shell Products for the aviation uses.

18. Directives for Lubrication in the Ground Organization of the Air Arm from the Oberkommando der Luftwaffe.

Target No.30/Opportunity. - Olex Deutsche Benzin und Petroleum Gesellschaft Berlin, Martin Lutherstrasse 61-66.

19. Identification, characteristics and brand names of special oils by Olex.

Target No.30/2.02. - Deutsche Erdöl A.G.  
Berlin, Martin Lutherstrasse 61-66.

20. Research in Structure for separation of solid paraffins. (Reprint from Oel und Kohle 30,419 (1942).
22. Specifications for lubricants of Die Deutsche Viscobil G.m.b.H., a distributing company for Deutsche Erdöl A.G.
23. Petroleum Producing Companies in Germany and Austria and their outputs.
24. History and Management of Deutsche Erdöl.
25. Organization of Petroleum Economy during the War.

Target C 30/89 - Edeleanu-Gesellschaft m.b.N.  
Berlin - Schöneberg - Martin Lutherstrasse 61-66.

26. History of the Company.
27. Separation of low-temperature tars from Brown Coal and Oil Shales with selective solvents.  
By Dr.Ernst Terres.
28. Flow-sheet of a plant for processing Brown Coal Tars.
29. Flow-sheet of a Toluene Extraction Plant at Concordia.

Target No.30/413. - Kaiser Wilhelm - Institut für Strömungsforschung  
Berlin N W 87.  
Franklin Strasse 27/29.

30. 1945 - Report of the Activities of the Abteilung Reibungsforschung with 13 Appendices.

Target 30/Opportunity - Versuchsanstalt für Kraftfahrzeuge Berlin - Charlottenberg.

31. Communication from I.G.Farben (Hoechst) on anti corrosion media for Motor Fuel Containers: H8 1/136.

Target 30/Opportunity - Technische Hochschule, Berlin,  
Institute für Technische Strömungsforschung.

32. Review of Research from 1938-1945 by Dr.Rudolf Wille.
33. Report on Second Meeting of the Committee on 2-cycle Motors.
34. Die strömungstechnische Durchbildung der Einlassorgane ausländischer Flugmotoren.

35. Patent application and drawings of a new method of comminuting liquids into gas streams.  
Documents obtained from Depl. Ing. Foerster of the Versuchsanstalt für Kraftfahrzeuge, Berlin.
36. Research in Fibers for Oilfilters.
37. Tests in Cold Tunnel of Starting Motors having motor-oils diluted with benzine.
38. Apparatus for determining Ratios of Oil Dilutions.
39. Opinion on Influence of Speedoil - Zusatz - lubrication on Cylinder and Piston-ring Abrasion.
40. Development of an Oil Filter by the Staff of the Kraftfahrzeug-Kommission.
41. Starting Behavior of Diesel Motors.
42. Behavior of Anti-freeze Media.
43. Minutes of Meeting on Combustion in Motors.
44. Notes on characteristics, testing and behavior of Diesel Oils in Motors, from VDI Sept. 1934
45. Construction of Racing Cars. VDI of Feb. 19, 1938.

Target 30/Opportunity

Technische Hochschule Berlin.  
List of Professors, Engineers and Assistants available  
in Berlin. Pages 116 - 120.
