卷之三

卷之三

Convinced by the evidence of the late Dr. J. H. Bennett, that the oil of Benzoin is not fit for medicinal purposes.

WOLY 100% ASIANALIC Content

1) 21 percent hot down oil was isolated from benzol filtrates from Politz and Gelsenberg.

2) Residue contained benzol even after 96 percent had distilled off: for this reason not investigated.
